Must Submit Application Online

Teaching Experiences, Leadership Positions, Professional Development, Honors and Awards

Please provide a list of teaching experiences in chronological order--starting with most recent--noting dates, subject, your role and responsibilities in the course, etc.

e.g., FA18 BIS 101-Genes and Gene Expression
Lab TA: responsible for prepping labs, lab report grading...

Please list any professional development (e.g., programs, workshops, seminars, courses, institutes, etc.) you've participated in related to teaching and/or leadership.

Please list any leadership positions you have held in chronological order--starting with most recent-- noting dates, your role, the organization, etc.

Please list any teaching and/or leadership honors or awards you've received in chronological order--starting with most recent-- noting dates and brief description of award.

Short Answer/Essay Questions

Describe a specific example from your teaching experience where you have adjusted, or will adjust, your teaching strategy(ies) based on student feedback (e.g., live feedback during class, a student's email, student evaluations, etc.) in 250 words or less.

UC Davis enrolls a diverse student body. Describe how you do or would work to support students with a broad range of experiences and backgrounds in 350 words or less.

Please describe how your personal background and experience inform your teaching in 350 words or less. Specifically, address aspects of your background related to identity, diversity and inclusion.

Must Submit Application Online

The TAC Program is exploring ways to leverage online tools to make content more accessible to graduate students and postdoctoral scholars (e.g., developing online workshops). Please describe any experience you have with technology or educational/instructional technology that could be beneficial to the team (e.g., I have developed classes using Canvas, Blackboard or Moodle. I have created and managed online course discussion forums. I have created instructional videos on YouTube. I have used videoconferencing software to hold office hours. I have used [insert digital tool here]).

Please note, your application will be given full consideration regardless of your experience in this area.

Recommendations

Please provide the names, email addresses, and titles (former boss, advisor, instructor of record, former student, etc.) of two people who can speak to one or more of the following of your qualities:

Teaching passion or ability Leadership skills Ability to collaborate

Please note, if your research advisor cannot speak to these qualities, you are not required to submit their name as a recommender.

Recommender #1

First and Last Name _____

Email Address _____

Relationship to Recommender _____

Recommender #2

First and Last Name _____

Email Address _____

Relationship to Recommender _____

Please send the following link to your recommenders so they can complete the recommendation form:
